

Thank you.

Now, it's time we played a type of music that is near and dear to my heart.

(Do Czech schtick)

The national music of Czechoslovakia is the polka. Polkas are very well known back in Nebraska where I was born. But out here in Utah, they're not often played. So, I'm on a mission to introduce this great music to all Utahns.

So, get ready to kick up your heels as we play the "Red Raven Polka."
