

Good afternoon/evening! We're happy to see all of you here at our Luau celebration.

Today/Tonight, we'll present a variety of great songs from Hawaii for this special occasion. We'll open our performance with a song written back in 1933 and recorded by artists such as the Mills Brothers, Bing Crosby, the Andrews Sisters, Don Ho, and many others.

Here's our version about a special dwelling on the islands - "My Little Grass Shack."
