

Thank you.

In 1943, Judy recorded a number that was written way back in 1930 by George and Ira Gershwin for the movie "Girl Crazy." Does anyone here remember that movie with Ginger Rogers and Ethel Merman? Judy also sang and recorded it at her concert at Carnegie Hall in 1961.

You remember that Judy had a lot of tragedy in her life, and I think the words of this song mirror the sadness that she experienced. Here is the beautiful but wistful "But Not For Me."
