

Thank you. Thank you very much.

For our final song in tribute to Dinah Shore, we'll go to the year 1949 and a song she recorded that year that lasted 16 weeks on the Billboard chart. It's doubly appropriate because it certainly applies to all of you out there.

_____ and I will join our voices on this one we to sing our tribute to Dinah and to all of you - our "Dear Hearts And Gentle People." Enjoy!
