

Thank you very much.

Now, we'll really switch gears and play a type of music near and dear to my heart.

(Do Czech schtick)

The national dance of Czechoslovakia is the polka and we'll play this type of music now. This one is an American polka, written back in 1960 and introduced by Ricky Nelson that year.

Anyone here with the first name of Mary Lou? We'll dedicate this song to all ladies with that first name. Here's our version of "Hello, Mary Lou."
