

Thank you.

OK, now here's a test for you. Back in 1957, a man by the name of Meredith Wilson wrote a musical about a band instrument salesman in River City, Iowa. What was the name of the musical? Right - The Music Man.

One of the songs in that musical was recorded by the Beatles in 1963. It was the only Broadway show tune that the Beatles ever recorded.

We'll play for you now. It's title is "Till There Was You."
