

Thank you very much. We're pleased to be here on this special occasion with a great lineup of music for your enjoyment.

We're the Mixed Nuts and our specialty is music of the "Big Band" era - it's the music we all grew up with and danced to and dated to. We think you'll know all of the songs, and I may even ask you some questions as we move through the afternoon.

This next song was featured in the movie "Gangster Squad." The movie wasn't very good, but the song is fun! So here we go with a wish that we send out to all of you: "Bless You For The Good That's In You."
