

Thank you very much.

We're rapidly approaching the end of this Christmas celebration. For our next-to-last selection, we're going to invite all of our vocalists up on stage to perform a variation of the well-known Canon In D Major by Johann Pachelbel, which he composed back in about the year 1700. We're going to change it slightly by adding the vocal element.

We hope you enjoy our version of this composition, which we call the "Christmas Canon Rock."

Let 'er rip!
