

Thank you very much.

Our next song comes from the movie "Armageddon" in 1998. It was the first and only #1 single for Aerosmith, and it also was high on the charts in Australia, Ireland, Norway, and the UK. It was nominated for an Academy Award that year but lost out to "When You Believe."

Here's _____ with our version of this great Aerosmith hit - "I Don't Want To Miss A Thing."
