

Thank you very much.

Our next Christmas song was composed in 1954 by Sammy Cahn and Jule Styne for Frank Sinatra at his request. Frank first recorded the song in August of that year, then he recorded it again in 1957 and in 1968. Over the years, artists such as Peggy Lee, Mel Tormé, Doris Day, The Lennon Sisters, and numerous others have made recordings.

Here we go with our version of this beautiful Christmas song in 3/4 time - "The Christmas Waltz."
