

Thank you very much.

Our next song, written back in 1923, has been recorded by many artists, including Helen O'Connell, Bob Eberly, and Bing Crosby, and it has been a favorite of many opera tenors as well. In 1941, it reached the top spot on the Billboard listings.

Here's _____ with our version of an old favorite with a Latin beat, whose title is "Amapola", and when translated, means "poppy."

Enjoy.
