

Thank you very much.

We're rapidly approaching the end of our evening together. For our next to last number, we'd like to feature a selection that was written back in 1965 for one of my favorite musicals of all time. This musical was about a famous musical family in Austria in the World War II. What was the name of the movie? Right - The Sound of Music. What was the name of the family? Right - The Von Trapp family. Who was the leading lady of the movie playing the part of Maria, the nun? Right - Julie Andrews.

Remember that opening scene when she comes running over the mountainside? Wow!!

The movie had a ton of great songs, but this song featured the entire troupe of children entertaining their father one evening. What was the name of the song? Right - "Do-Re-Mi."

Sing it along with us.
