Once there was a wick-ed witch in the love-ly land of Oz, and a wick-ed-er, wick-ed-er,
wick-ed-er witch there nev-er, nev-er was. She filled the folks in Munch-kin land with
ter-ror and with dread, 'til one fine day from Kan-sas way, a cy-clone caught a
house that brought the wick-ed, wick-ed witch her doom as she was fly-ing on her broom.
For the house fell on her head, and the cor-o-ner pro-
nounced her dead. And through the town the
joy-ous news was spread.
