

Thank you very much.

Now, we're to the year 1956. Louie is continuing to tour throughout the US and Europe. But he still had time to make recordings. In that year, he recorded a song that he had first recorded way back in 1929 and then again in 1938 and 1943. But his recording in 1956 for Decca Record's "Autobiography" project ranks as one of the greatest sessions of Louie's entire career. Here we go with that great favorite - "I Can't Give You Anything But Love."
