

Thank you very much.

For our next song, we'll slow things up a great deal with a great song from the "Ziegfeld Follies Of 1936" where it was sung by Bob Hope. Since then, it was recorded by Dizzy Gillespie, Billie Holiday, Ella Fitzgerald, and Artie Shaw among others.

Here's \_\_\_\_\_ with a problem to tell you about. She says, "I Can't Get Started With You." Ooo, how very sad.
