

Thank you.

Our next Halloween favorite was written back in 1948 and tells the tale of a cowboy who has a vision of red-eyed, steel-hooved cattle thundering across the sky, being chased by the spirits of damned cowboys. Artists who have recorded it include Vaughn Monroe, Frankie Laine, Bing Crosby, Burl Ives, Johnny Cash, and many others.

Here's our version of this classic tale about the "Ghost Riders In The Sky."
