

Thank You.

Alright, get ready for a little holiday mischief!

Our next song is 'Nuttin for Christmas,' a tune that proves sometimes being on the naughty list is just way more fun. I mean, who hasn't had a year when coal in the stocking seemed like a reasonable trade-off for the adventures of the past 12 months?

Written in the spirit of festive fun, this song has more humor than a snowman trying to juggle snowballs.

So, here's 'Nuttin for Christmas,' because sometimes the best gifts come in the form of laughter. Enjoy the cheeky ride!
