

Thank you.

We'll pick up the tempo with our next selection, written in 1940 by Rodgers and Hart for their musical "Pal Joey." Remember that musical?

In 1957, the musical was transformed into a movie starring Frank Sinatra, Rita Hayworth, and Kim Novak. Wow! What a threesome! The song we're going to perform now was sung by Sinatra to his lady, Kim Novak, in his attempt to impress her with his devotion to her.

Here's _____ to tell us how she might respond to a simple question from her guy about what she thinks of him. It's called "If You Asked Me, I Could Write A Book."
