This next Halloween song was featured in a 1984 supernatural comedy film of the same name starring Bill Murray, Dan Akroyd, and Harold Ramis as eccentric parapsychologists who start a ghost-catching business in New York City. It won several awards that year, and in 2015, the United States Library Of Congress selected the film for preservation in the National Film Registry.

Here's our version of that famous theme from that show - "Ghost Busters."
