day and age we're liv - ing in gives cause for ap - pre - hen - sion, with

speed and new in - ven - tion, and things like fourth di - men - sion. Yet we

get a tri - fle wear - y with mis - ter Ein - stein's theor - y, so we

must get down to earth at times, re - lax, re - lieve the tension. No

mat - ter what the prog - ress or what may yet be proved, the

sim - ple facts of life are such, they can - not be re - moved. You
