

Thank you. Thank you very much.

This next Halloween song deals with a subject that is quite common on Halloween, the aspect of transforming an individual by way of casting a magic spell. It's a show tune from the Broadway musical, "Pal Joey," and has been recorded by such artists as Doris Day, Mel Torme, Ella Fitzgerald, and Frank Sinatra among a whole host of others.

Here's _____ with our version of this spellbinding song,
"Bewitched. Bothered, and Bewildered."
