

Thank you very much.

This next carol holds a particular attraction for me since it's about a king from my great-grandfather's homeland. It tells the story of a king from Bohemia braving harsh winter weather in order to give alms to a poor peasant on the Feast Of Stephen, which is the second day of Christmas, December 26. During the journey, his page is about to give up the struggle against the cold weather, but is enabled to continue by following the king's footprints, step for step, through the deep snow.

Here's _____ to tell us all about "Good King Wenceslaus."
