

Bye Bye Blackbird

Keyboard

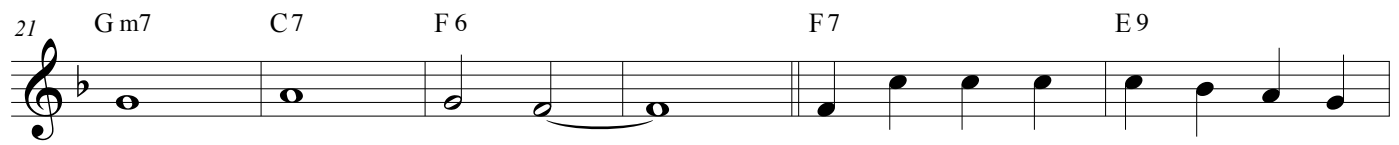

(Sax)

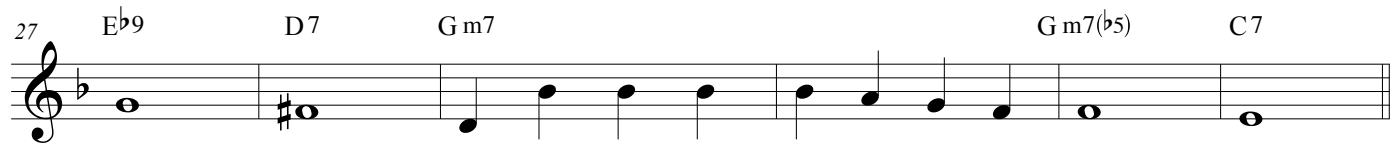

(F) Pack up all my care and woe, Here I go, sing-ing low, bye, bye,

black - bird. (M) Where some-bod-y waits for me, Sug-ar's sweet, so is she,

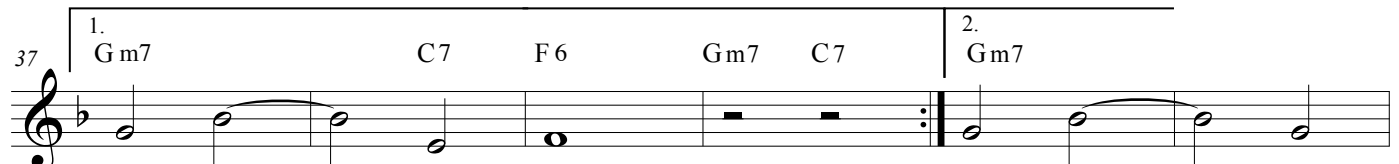

bye, bye, black - bird. (F) No - one here can love and un - der -

stand me. (M) Oh, what hard luck stor-ies they all hand me.

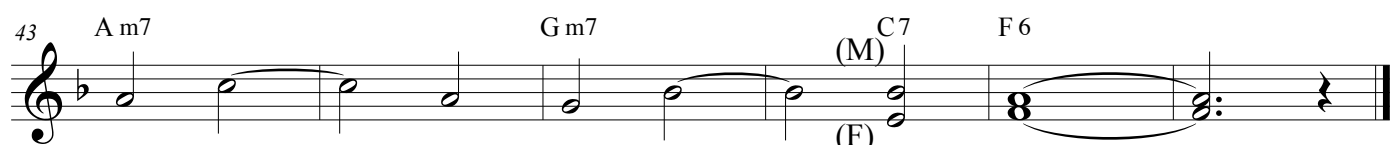

(Both) Make my bed and light the light, I'll ar - rive late to - night.

Black - bird, bye, bye.

Black - bird, my

black - bird, oh, black - bird

(M) bye, (F) bye.
