

Thank you.

This next song was written and sung by an Irishman, Gilbert O'Sullivan, in 1972 and spent 6 weeks at the #1 spot that year. Billboard ranked it as the #2 song in 1972, and artists such as Neal Diamond, Anita Bryant, Shirley Bassey, and Nina Simone all produced recordings.

Here's \_\_\_\_\_ to sing our version this rather sad song of resignation - "Alone Again, Naturally."
