

Thank you very much and “Hello!”

We’re the Mixed Nuts, and we’re excited to be celebrating Valentine’s Day with you today. We’ve put together a special selection of music for this special day, and we hope you’ll find it enjoyable. Our opening selection was “Love Is Just Around The Corner,” quite appropriate for this day, wouldn’t you agree?

Our next song is perfect for this celebration. What could be more appropriate for Valentine’s Day than a song with “Valentine” in it’s title.

Here we go with “My Funny Valentine.”
