

Thank you. Sounds like a good excuse to me, doesn't it?

Our next selection is from that great 1943 Rodgers and Hammerstein musical "Oklahoma." Do you remember who the stars of that movie were? Right. Gordon McRae and Shirley Jones. She made her film debut in this movie. In the movie, Gordon and Shirley sing this song as a duet.

Here we go with that great classic - "People Will Say We're In Love." Enjoy!
