

Thank you.

Before moving on to our next song, let me introduce you to all these beautiful people up here who've been doing such a great job entertaining you this evening. (Introduce band members)

Have we forgotten anyone, Katie? (Response)

OK. We'll bring Katie back to the mike to sing a song written for and performed by the great Count Basie in the mid-1950's. She says, simply, "Alright, OK, You Win."
