

Thank you. And thank you, _____. Good job!!

For our next song, we'll go back to the year 1937 and a big #1 hit of Shep Fields and his orchestra, spending 4 weeks in the top spot. Since that time, more than 80 vocalists have recorded it, including virtually every name artist of the 40s and 50s.

We hope you enjoy our own vocal artist _____ as she tells you all about "That Old Feeling."
