

Thank you very much.

Our next song came from a musical, a 1944 film starring Judy Garland titled “Meet Me In St. Louis.” It’s been said the this film was one of the greatest musical films ever produced.

Our song from the musical was also recorded by a whole host of artists, including Frank Sinatra, Barbra Streisand, Tony Bennett, Joni James, and Doris Day.

Here’s our version of this beautiful favorite - “Have Yourself A Merry Little Christmas.”
