

Thank you very much. Buono Sera!

We're the Mixed Nuts, and we're pleased to be with you here today/tonight. We have a slightly different program in store for you this afternoon/evening. Our lineup of songs will all have a Italian flavor for your enjoyment. Please feel free to sing along or dance - whatever moves you. "Godere!"

Our opening selection is a Neopolitan historical song composed in 1889 that was Dean Martin's first successful hit. Here's \_\_\_\_\_ to sing, "Oh, Marie."

Enjoy!
