

Thank you.

We'd like to deviate from our usual routine and play an encore number for you now. Is that OK with you? (Response) Good. For our encore, we'll invite our vibraphonist Mike to the forefront to play a very unusual instrument - a cup! The song is from the movie "Pitch Perfect." The name of the song is "When I'm Gone," and \_\_\_\_\_ will sing it, accompanied by Mike on his cup. Take it away, Mike.
