

Thank you very much.

We'll pick up the tempo a bit now as we go way back now, to the year 1918, for this next song. Anyone here born in that year? This song was recorded by such artists as Johnnie Ray (remember Johnnie?), Dean Martin, Count Basie, Benny Goodman, and a whole host of other artists.

Listen now as I tell you about about a serious crime of thievery that has been perpetrated - "Somebody Stole My Gal."
