

Thank you.

For our next selection, we'll move forward to the year 1970 and a recording by Anne Murray. In that same year, another version reached #2 on the Billboard charts, and it went on to become the 22nd best seller of 1971. It also has been recorded by Elvis Presley, Frankie Laine, Loretta Lynn, and Joan Baez.

So here we go with a suggestion for all who are looking for guidance in their lives. Just "Put Your Hand In The Hand" of the One who can lead you into the promised land.
