

Alright, hang onto your Santa hats, folks! Our next tune is 'Mistletoe and Holly,'.

Here's a mistletoe joke for you:

"Why did the mistletoe go to therapy?

It had too many issues with commitment!"

It's the story of mistletoe, holly, and a bunch of festive shenanigans.

Written by the legendary Frank Sinatra, Dok Stanford, and Henry W. Sanicola, this song has more charm than a snowman wearing sunglasses.

So, as we dive into 'Mistletoe and Holly,' get ready for a musical sleigh ride full of laughs and, who knows, maybe some unexpected mistletoe encounters. It's the holiday season—anything can happen! Let's roll with it and enjoy!
