

Good afternoon/evening! We're happy to see all of you here.

We're the Mixed Nuts and our music is that of the Big Band era. But today/tonight, we're going to deviate a bit from our usual fare because Halloween is upon us. Today/Tonight, we'll present a variety of songs that might be considered representative of this holiday.

We'll open our show with a song that was a big hit for the Diamonds back in 1959. It tells the story of one gal's strategy to get her boyfriend to cuddle with her. She just has to get him to take her to a scary movie, like one that features "Batman, Wolfman, Frankenstein, or Dracula." Tell us all about your plan, _____.
