I want to be happy, but I won't be happy till I make you happy,  
you happy, too.  
Life's real - ly worth liv-ing when we are mirth giv - ing. Why can't I give some to you?  
When skies are grey and you say you are blue.  
I'll send the sun smil - ing through.  
I want to be happy, but I won't be happy till I make you happy,  
too.
