

Thank you very much.

Our next song was written back in 1990 and first recorded by Natalie Cole. Then, in 1992, Amy Grant also recorded it, and lastly, in 2003, Kelly Clarkson performed it on the Americal Idol show's Christmas special. It's the story of one person's new Chrsstmas list for Santa.

Here we go with our version of "My Grown-Up Christmas List."
