

Thank you. Thank you very much.

For our next song by Mariah Carey, we'll stay in the year 1993 and a song that became her seventh #1 single on the Billboard Hot 100. Its success was world-wide, reaching the top ten in Australia, The Netherlands, New Zealand, and the UK. Since that time, Whitney performed it on countless show tours.

So, here we go with our version of that great Mariah Carey hit - "Dreamlover." Take it away, \_\_\_\_\_.
