

Thank you very much. What a beautiful song!

Now, we'll really switch gears and play a type of music near and dear to my heart.

(Do Czech schtick)

The national dance of Czechoslovakia is the polka and we'll play this type of music now. This one is tells us about all the fun that can be had in playing hide and seek.

Here we go, ready or not. This is the "Apple, Peaches, Pumpkin Pie" polka.
