

Thank you very much.

OK. Now, here's a test for you. Back in 1957, a man by the name of Meredith Wilson wrote a musical about a band instrument salesman in River City, Iowa. What was the name of the musical? Right - "The Music Man."

One of the songs in that musical was recorded by the Beatles in 1963. It was the only Broadway show tuen that the Beatles ever recorded.

_____ will sing it for you now. Here's our version of "Till There Was You."
