

Thank you.

We're now going to play a polka. This classic tune, written by the talented Frankie Yankovic, often hailed as America's Polka King, is a spirited polka about a girl named Baruska. . . we'll, that's how you say it in czeck. In English it's Barbara. Anybody here named Barbara?

Frankie Yankovic, with his accordion prowess, made this polka famous. Here we go with the "Barbara Polka."
