

Good evening. We're so very glad to be back with you again. It's always a fun time for us when we come to play for you here.

Once again today/tonight, we're going take you down memory lane and revisit some of the biggest hit songs from yesteryear. Our focus for this afternoon's/evening's performance will be the greatest hits of the 80s. Our opening selection "Wake Me Up Before You Go-Go" was a big hit for Wham and which exemplified the spirit of the music of the 80s.

Our next selection was a big hit for Kim Carnes in early 1980, residing in the top spot on the charts for 9 weeks. It has a rather intriguing title. Here's \_\_\_\_\_ to tell you all about a certain lady with truly star qualities. This lady has "Bette Davis" eyes.

Take it away, \_\_\_\_\_.
