

Good afternoon/evening! We're happy to see all of you here.

We're the Mixed Nuts and our music is that of the Big Band era. But today/tonight, we're going to deviate a bit from our usual fare because Halloween is upon us. Today/Tonight, we'll present a variety of songs that might be considered representative of this holiday.

We'll open our show with the theme song of a successful TV show back in the mid '60s. It was about a family of benign monsters, starring Fred Gwynne and Yvonne De Carlo. It was nominated for a Grammy Award in 1965.

So, listen as \_\_\_\_\_ tells you all about this monster family whose name, appropriately enough, was "The Munsters."
