

Thank you.

Ok you partygoers!

Time to dream a little dream with this next song.¹ This gem, made famous by the likes of Disney magic, is all about making wishes and reaching for the stars.

So, find a cozy spot, or maybe a dance partner, and let The Mixed Nuts add a sprinkle of musical stardust to your night.

Enjoy a bit of whimsy, and a dash of nostalgia, as Wendy sings 'When You Wish Upon A Star' and let those dreams soar!
