 - Neil. . .
 - Robyn. . .
 - Bill. . .
 - Bob. . .

- Keith: Well, that pretty much wraps it up for this video.
 - We hope that we have
 - given you some insight into our band,
 - And what goes into a band that has played over 300 shows per year for several years.
 - We'll be making more videos so that you can get a more detailed idea of how we do what we do.
 - We know there are tons of great musicians out there who have the time and the talent to do what we do. Back in 2017 we did a road tour and played gigs through the Midwest as Far east as Lincoln Nebraska and we were surprised to hear that retirement centers just don't get the kind of entertainment we provide.
