

Thank you.

Because we are the Mixed Nuts, people often ask us which nut we are.

Keith is a coconut, Bill is a Philbert and I am a ____.

I don't think we have anyone who is a chestnut. But we do have a song that mentions chestnuts.

This classic, made famous by the velvety voice of Nat King Cole, is the musical equivalent of a warm holiday hug.

Get ready for the velvet crooning, chestnuts roasting, warm holiday embrace of 'The Christmas Song'!
